Docket No. 98-N-1265  
Food and Drug Administration  
5600 Fishers Lane Room 1061  
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I  
OBJECT to the definition of "inordinate amount" which restricts the availability and  
the right to obtain necessary compounded medications by limiting the number of  
prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

My Dr. prescribed DHEA for my  
use and used College Pharmacy in  
Colorado Springs, CO. to fill the prescription.  
(Shire in Calif.) He said they were very reliable  
and accurate in their work and used them  
exclusively.  
(My doctor is Ted Quigley.  
Go. Clinic - La Jolla, CA.)  
Sincerely,  
Patricia Silva
